8 Guildford Borough Council Planning Committee

Send Parish Council has written to Guildford Borough Council to request that a pre-allocated slot be available at all GBC planning committee meetings for the parish councils to speak about an application. The response from the Leader of GBC Cllr Caroline Reeves is below:-

‘The question of parish councillors having additional time to speak at planning meetings has been discussed and currently the answer is that there will be no change to the arrangements. However, I am aware that there’s discussion of a peer review of the planning committee and the arrangements for speakers and I will make sure that this question is on the agenda’.

Send PC would be very interested to hear the views of other PCs and whether you think that this would be a good idea and whether pressure could be applied to GBC to make changes to the current arrangements
