ALL SHELTERS ARE DELIVERED FULLY ASSEMBLED All prices are ex works i.e. the cost of delivery needs to be added, this will vary depending on how far away the installation site is. Ring with an address or post code and we will quote a fixed price for delivery. We have AutoCAD drawings for all our shelters and these include all the ground work details. The drawings are available to all our clients FOC; we can e-mail them to you or post A3 size copies in the post (or both)
