- 159/12 **Community Development**
Cllr Hogben requested that members approve the replacement of SCC barriers at Vale End with oak post and rail, at a cost of £450.00. Cllr Hogben advised that had been advised by SCC that their barriers had been installed for health and safety reasons, but it was noted that there was post and rail further along this section, and that there had never been an accident on this stretch of road.
Cllr Hogben hoped that Albury Estate would do one part of the required fencing, which would reduce the total outlay to the Parish Council.
Approval of the installation of post and rail fencing at a maximum cost of £450 was PROPOSED by Cllr Hogben, SECONDED by Cllr Robinson, with all in favour except Cllr Gellatly, who abstained from voting.
