The Estate's architect has been asked to review the current proposal, to ascertain whether a different configuration within the hall complex might be preferable. Cllr Rowland suggested that a unisex toilet next to the library and access to an enhanced disabled toilet within the current facilities might be more useable. *Cllr Robinson*

- a) *Water supply:* Thames Water have now laid the main, between the edge of the byeway, up to the allotments. Cllr Brockwell has arranged to meet them on site on the 12<sup>th</sup> December.
